

# AMERICAN SALON

WHERE BEAUTY BEGINS  
NOVEMBER 2005

## NIGHT MOVES

Laurent D. and Anita Gutierrez turn up the heat  
with Latin-inspired looks for Clairol

**14 L'anza**  
The two major hair traumas hairstylists encounter most frequently are overprocessing and the uneven color that results from this damage. L'anza Healing Color Care introduces color-preserving Trauma Treatment that heals traumatized hair and improves color adherence. This revolutionary formula heals overprocessed hair from within and balances porosity, resulting in remarkably improved color attachment and uniform color position. 800-423-0307

L'ANZA<sup>®</sup>
